Please don't cry mummy,
It's really ok,
Im just growing up,
To be big and brave
Don't worry mummy
I'll be just like you
I'll be tall and smart
Have lots of money too!
I can do this mummy
You've taught me lots
But when I'm gone
You must promise me
That even though you're old
You should grow up like me
Forget your fears
Leave them behind
And do what makes you happy
Do all the things you couldn't
Now that im out of your way
Im no longer a little girl mummy
So believe me when I say
I love you with all my heart
And no matter how far the distance
We shall never be apart.
