

Personification Poem

Cupcakes

Why cupcake fight?
I don't know,
They have been at it and at it.
Who knows if it's for show.
They've been fighting and
arguing all day long,
Can't they just resolve it like
over a song.
Over buttercup frosting and
sprinkles,
Why do they always want
everything that twinkles.
Finally they resolved the issue.
By sharing the frosting, but
they can't share everything.
They will stay like this for a
day, then they will have another
disagreement.
Oh no they are at it again.
